## ATTACHMENT A (AFFIDAVIT)

On December 8, 2015, at approximately 12:25 p.m. Texas Department of Public Safety (DPS) Trooper Randall Salinas conducted a traffic stop of a white 4 door Chevrolet Cobalt in Raymondville, Texas. During the traffic stop, Trooper Salinas made contact with Selena VILLARREAL, who was the driver of the aforementioned vehicle. Additionally, Trooper Salinas identified Connie ROSALES as a passenger in the vehicle, along with VILLARREAL' two minor children. Trooper Salinas stated VILLARREAL exhibited extremely nervous behavior and implausible travel plans. As a result, Trooper Salinas asked VILLARREAL consent to search the aforementioned vehicle, at which time VILLARREAL consented to the search. Trooper Salinas located in the bumper of the vehicle a bag which contained approximately 6 bricks. A field test of the bricks tested positive for the presence of heroin, for a net weight of approximately 8.16 kilograms. VILLARREAL and ROSALES were then transported to a DPS facility located in Raymondville, Texas, for further investigation. DEA and DPS Agents read VIILLARREAL and ROSALES their Miranda Rights, at which time VILLARREAL and ROSALES agreed to speak with Agents without the presence of an attorney. Under Rights and Advisement, VILLARREAL stated she was smuggling a load of illegal narcotics to Houston, Texas. VILLARREAL stated she was going to get paid approximately two thousand dollars United States Currency (USC) to smuggle the illegal narcotics. According to VILLARREAL, ROSALES connected her to a member of the Gulf Cartel, who was looking for individuals to smuggle illegal narcotics into the United States. VILLARREAL stated she drove the aforementioned vehicle containing the illegal narcotics and ROSLAES communicated with the recipients of the illegal narcotics who were in Houston, Texas. VILLARREAL told Agents she smuggled a load of illegal narcotics in the same vehicle to Houston, Texas, with ROSLAES approximately one week prior and she (VILLARREAL) and ROSALES received monetary compensation. Additionally, VILLARREAL stated ROSALES was being compensated by drug traffickers each time she (VILLARREAL) smuggled illegal narcotics as a finder's fee for recruiting her (VILLARREAL). Under Rights and Advisement, ROSALES stated she (ROSALES) knew the vehicle contained illegal narcotics and went with VILLARREAL to make the trip less suspicious to law enforcement authorities, than if VILLARREAL traveled alone. ROSALES stated she was going to get paid a sum of USC for making the trip to Houston, Texas. According to ROSALES, she was paid one thousand dollars USC for going with VILLARREAL the week prior to deliver the illegal narcotics to Houston, Texas. Prior to transporting VILLARREAL and ROSALES for overnight detention, ROSALES spontaneously uttered "I accept responsibility for my actions and I did wrong".
